

Antonoil Wins Bid Again for Coiled Tubing Acidizing Service Project in Southern Iraq

Hong Kong, June 17, 2014 - **Anton Oilfield Services Group** ("Antonoil" or the "Group", HKEx stock code: 3337), the leading independent oilfield services provider in China announces that it has received a letter of award today that awards a stimulation project in Iraq to the Group. The project, which is located in southern Iraq, involves the application of coiled tubing acidizing technology for stimulation, at a contract value of around US\$9.5 million for an effective period of two years. Antonoil has been operating in this project with a previous award, and the winning of this bid extends the Group's service with a larger contract size.

The winning of the bid shows Antonoil's coiled tubing service in Iraq is backed by steady and sustainable work volume, and also demonstrates sound growth momentum.
